Important Additional information:

Packaging info:

Packaging costs are INCLUDED in the above fee (yay!). The products will be delivered packaged and ready to retail. Continued on page 2...

Packaging design:

Packaging design cost is free of charge if the client is happy with the layout of the current Katie Cardew Illustrations packaging, on all initial orders over £350+vat. Images of current Katie Cardew packaging is available on www.katiecardew.com or please request them. If the client would rather have custom packaging designed, this can also be arranged. The design fee for custom layout and graphic design is £35 p/h +vat.

If the client would like the products barcoded, the client will need to supply the bar and SKU codes.

Product design:

Product design is also included in the price, if the design is using the original format of the illustration and again, on all initial orders over £350+vat.

If you would like to create a version of the original illustration using extracted elements from the design (i.e. if the original illustration is a map), this can also be done. The cost for this is £35 p/h for a one off design fee.
